

# **GPM Durban Declaration 2019**

## **Key Points**

November 11, 2019

Durban, South Africa

Mayors of the GPM commit to the following propositions and goals:

### **Multilevel Governance**

Working in partnership with elected city leaders and city networks in the making, implementing and enforcing of global agendas, particularly those that directly implicate cities

### **Migration**

Institutionalizing welcoming standards to ensure that every person's basic needs are provided for and that all feel welcomed, irrespective of nationality, point of origin, or immigration status.

### **Urban Security**

Reducing all forms of violence by 50% within our jurisdictions by 2030.

### **Public Health**

Promoting the achievement of at least 80% vaccination coverage for all vaccines in national immunization programmes.
